

# COVID-19 Info for Dance Camps and Families

Carolina Dance Productions is committed to protecting the health and safety of our team and your children. We have learned a lot about COVID-19 and continue to learn more, so this information may change or update as we become better educated about how to protect the ones we love.

## What is CDP doing to keep my camper safe each day?

- Enforcing social distancing
- Providing multiple classes with smaller class sizes
- Temperature checks for staff and students
- Masks in the studio, leaving the studio, and between classes
- Disinfecting before class, between classes, and at the end of the day
- Closing the studio to anyone but dancers
- Encouraging mask wearing by students during camp
- Health screenings for temperature checks, COVID exposure, and COVID symptoms
- Provide bathrooms and hand washing instructions, as well as multiple sanitizing stations

## What do we do to keep our staff safe each day?

- Provide masks
- Confirm that they haven't been exposed to anyone with COVID-19
- Confirm that they don't live with anyone who has been exposed to someone with COVID-19
- Confirm that they/no one in their house is exhibiting symptoms of COVID-19
- Daily temperature checks

## What are we doing within our facility?

- Sanitize and disinfect high contact surfaces like counters, door knobs, sanitizing stations
- Sanitize and disinfect bathrooms and bathroom surfaces
- Sanitize and disinfect floors in the studios
- Allow for fresh air to circulate
- Marking floors for distance
- Marking floors for direction

## What happens if we discover a case of COVID-19 in our camp?

- The studio will be deep cleaned, sanitized and disinfected
- Impacted students will be notified
- Impacted team members will be notified
- The affected individual will need clearance from their health care provider to return to the studio.
- Follow CDC guidelines for cleaning and disinfecting.
